

ANNUAL SUBSCRIPTION - 01/09/2011 to 31/08/2012

Anyone can join our club by completing the form below and returning it to the membership secretary. Members are then issued with a membership number, which they must quote when booking a court, either to Swan Pool reception (tel. 01280 817500) or on-line (for details see our web site - www.buckingham-squash-club.co.uk) Members receive a small discount and are able to book courts **7 days** ahead, instead of 4 days for the general public. Club Nights are Mondays 18:45 to 21:00 and Saturdays 17:15 to 18:45 - current costs are on the web site and payable on entry to Swan Pool. Only club members can play at these times.

We have a varied range of abilities within our membership and run a **squash league for members only** and have a team in the Bucks County League. If you want to play in the internal leagues or for the team please indicate on the form below. We run our own club competitions each year and occasionally a fun tournament for charitable causes. Professional coaching can also be arranged. We also have an increasing number of members who play **Racketball**,

England Squash & Racketball (ES&R) Membership

£6.50 of your subscription (£4.50 for juniors) goes direct to ES&R and they will send you a membership card. As affiliated members of ES&R you'll receive Squash Player Magazine 3 times/year, have ballot entry for event tickets, be eligible to enter England Squash sanctioned events, attend coaching courses and workshops, and receive regular e-newsletters. Other benefits are shown on the ES&R web site. All the ES&R subscriptions are ploughed back into developing squash & racketball nationally, with a proportion (12.5%) going direct to the county association.

To meet the Data Protection Act 1998, if you don't want your membership details to be forwarded electronically to ES&R please tick the box below – Note: if you tick the box, you won't benefit from the **free magazine**. ES&R will be told by the club that no members should be contacted by third parties no matter how carefully selected they may be.
